Thank you for your interest in having Paul come minister at your upcoming event. We are praying that God will do awesome things in the lives of those who attend and will be honored to be a part of what He wants to do! Thank you for taking the time and energy to organize an event that will honor God and bring His presence to others.

By answering the following questions you can help us gain a better idea of what you are expecting from Paul and the ministry team from That Youth Thing.

Please know that our greatest prayer is for your event to accomplish what God desires. If we are not able to be a part of it, we know that God will lead you to just the right speaker. Thank you again for your interest.

Heart matters

Describe your vision for this event	
How can we pray for this event and for you as you coordinate it?	

Paul comes for a love offering, but we realize that this means different things to different people, so we want to explain our heart. Love offerings often contain a lot of love but not much offering, especially at a youth event. So we ask for your consideration in the following areas:

1. Love offerings are above and beyond any expenses for travel, lodging and meals.
2. If the love offering is less than \$500, please consider supplementing it from other sources (area businesses, general fund, etc).
3. If the event is a multi-day event (retreat, camp, etc.) the honorarium will need to be negotiated to determine a set fee.

Again, thank you for considering Paul as your event speaker. Please print a completed copy and send it to us so that we may review it and send you an event contract (remember to keep one copy for your records). May God bless you and your event.
